

STOP CRASHING!

START LEARNING!

The Soaring Safety Foundation

Offers continuing education programs for glider instructors, soaring clubs, commercial operators and pilots.

✓ **Seminars at Your Location.**

Speakers come to you with a custom safety seminar and YOU help choose the topics.

✓ **Flight Instructor Refresher Courses**

*The original FAA approved **Glider Specific FIRC** offered at venues across the USA. (CFI's must renew their certificate every 24 months.) Non-Instructors or CFI wannabes are welcome to register and attend.*

✓ **Site Safety Surveys**

*Is your "Safety Culture" broken? Request an independent observation of your soaring site procedures and training programs. **Confidential and Free.***

Reduce Costly Incidents by contacting the SSF today at webmaster@soaringsafety.org to request a safety program.
